

## PASARR INDEX LIST

### Inside Front Cover:

- This Index List
- Documentation of Choice
- Letter of Notification from QIS

### Referral - Level 1 Section

- All referral forms received from QIS to start the process of an initial evaluation (usually includes PASARR/MR Level II Screening Referral, Level I Screen, Level of Care Determination, Functional Assessment, and any other information faxed with referral).

### Annual Resident Review Section

- Letter sent to nursing facilities with the ARR/Specialized Services Plan
- Annual Resident Review (ARR)
- Specialized Services Plan (if the individual has a specialized services plan as well as the ARR)

### QMRP Report/Specialized Services Assessment Section

- QMRP report done when individual is referred to PASARR
- Specialized Services Assessment report if one is generated
- If this individual starts with a modified screen, the Subsequent Report which is a Specialized Services Assessment report and possibly a Specialized Services Plan would go here. (The Interview Format would go in the last section.)

### ICAP Section

- No longer done - old ones filed here.

Last Section - (inside back cover)

- Specialized Service Plan Support Coordination Log on top
- Copies of contracts with hab. aides, copies of their timesheets, etc.
- Resource Request
- Cost Allocation Plan
- Interview Format form
- Information collected to generate QMRP and/or Specialized Services Assessment reports
